

BLUE ICE DIAMOND

We called **THE CHOSEN ONES**. We have thought many ways to steal the B.D. this is one way to achieve it:

First, we will dress as a tourists, **we will hide at the toilets before the museum close (about 5:20)** then about 6:00, **after the front door are locked**, Alejandro and I will follow the guard A (we called Eagle) until the Indian room (meanwhile Melissa would be watching the guard B (we called Hawk), in this moment, **we will surprise Eagle from behind with a rope around his neck (without killing) while Alejandro is tying his arms and legs and putting a tape on his mouth**. Then, when he can't move, I'll take the key.

As soon as Eagle is dominated, we will have to remove it his uniform and wear it. Melissa keeps watching a Hawk, because we don't want create suspicion.

When Alejandro is ready, he will have to act like a guard and keep the museum routine. (About 6:30). Just before 7:00 p.m. when the guards will change places, Melissa will make a noise, not loud, until try to get hawk attention; when hawk is distracted, Alvaro will have to take it from behind, and to suffocate it until he faints.

At this moment, we are all in the office prepared to next step.

After the guards are disable, we are going to get the glass door key from the security room and the alarm key from Eagle pocket to inactive the alarm.

Once we take the Diamond we will wear the extra uniform and tie & hide the guards to escape from the museum.
